NORTHERN CALIFORNIA-NEVADA DISTRICT OF THE ASSEMBLIES OF GOD

# Making the Kind of Society God Wants... By WILBUR A. KORFHAGE

**Editor's Comment:** The following article has been submitted by Wilbur A. Korfage, Legislative Advocate and Director of Church Relations for the Council on Alcohol Problems. We believe Mr. Korfage has presented vital information which is of great importance to all California residents.

Great preachers throughout the history of Christendom have preached the personal adjustment a person needs to make with God through Christ. We call this experience acceptance of Christ, or salvation by faith. This makes new men, and new men make a better world, and makes God's heart glad, because this is part of the Kingdom.

God, the Creator and Diviner of the Galaxies, is just as necessary in the creation of man, in His own image. "When I look at Thy Heavens, the work of Thy fingers, the moon and the stars which Thou has established, what is man that Thou are mindful of him. Thou hast made him a little less than the angels, and crowned him with glory and honor." And when these men are in tune with God, and His purposes for them, we develop an environment, and sociologists call it "folkways."

This is the task of the preacher, and the method is preaching. The pulpit is our fort. Art, music, industry, brotherliness, peace — these are some of the evidences of this spirit which comes when men are surrendering to God's ways.

## MAN LIVES IN A POLITICAL CLIMATE, TOO!

The Chamber of Commerce is a political unit. So is the Labor Union. And the Medical Associations, and the Church conventions, and the political parties. The seventeen million Californians have their lives governed, to a great degree, by the State Legislature. There are more people in California than in 78 Nations of the United Nations. And this State Legislature of ours has a large part in governing us. Many times problems of society are solved by this Legislature. Welfare matters, wages, elimination of smog, creation of transportation systems, parks and recreational values, and many others, are settled and produced. But political action also entails negative matters, such as pressure of large monied groups, bureaucracy, and selfish bosses and cliques in society.

Thus, it becomes evident as one, like myself, who is assigned to be the "Legislative Advocate" (Lobbyist in the common vernacular) that we are catapulted, actually thrown into the melee, whether we like it or not, whether we think it is our function under God, or not. "Render unto God," is known to us all, but Caesar comes in and demands many things of us, including taxes. Therefore, as we are thrown into this business of the State Legislature, we need to be intelligent, and thoughtful, and interested.

## MANY PROBLEMS WILL COME BEFORE THE 1963 SESSION

These 40 Senators, and 80 Assemblymen will be compelled to study about 4000 Bills, and decide which ones ought to become law. They will be cajoled, bombarded, coerced, and influenced by 400 lobbyists. And for the most part these 400 lobbyists will represent every interest in California except the people. Many of these lobbyists are highly paid men. Some of them have at their disposal hundreds of thousands of dollars to influence legislation. Most of them are astute, brilliant attorneys, experienced in the law. They will try to secure for their employers just the most advantageous legislation for that particular industry or corporation. Sacramento State House is a bedlam, you will understand, during the session, which lasts from January 7 to about June 15.

## ONE TREMENDOUS PROBLEM IS THAT OF ALCOHOL

We are close to the top, if not on the top of all the fifty States in consumption on a per capita basis, and also in alcoholism, per hundred thousand of our people.

We killed 4099 folks on our highways in 1962, and injured about 200,000. While we really can't say for sure how many are caused by alcohol, yet it is way over half. We have family difficulties by the hundreds of thousands. Little children are paying a terrific price, where family solidarity is threatened. The number of divorces and separations is almost unbelievable.

Crime is a reflection or a lengthened shadow of the dishonesty and lack

# Because We Have Been Sent

On Christmas day Arne Abrahamson wrote from the jungles of Brazil, "Why have we come? Why are we here? Why do we go in search of lost Indian tribes; leaving loved ones; living on wild meat and farina; sometimes going hungry; drinking water from a river that serves as toilet, kitchen, laundry, etc., for everyone on the river constantly being bitten by a maddening variety of insects; traveling up small tributaries in open canoes; paddling or poling a half ton against the current; being soaked by torrential jungle rains; sometimes spending the night in a huddle under an old shelter that leaks like a sieve; walking through the jungle with the vines endlessly catching, catching, your feet (sometimes one, sometimes both feet) your head, your pack, your arms; the myriads of thorns ceaseless-picking, stabbing, snagging and ripping your clothes; drying your clothes to a bearable degree by a smoky fire because there is not enough sun in a month to do the job; the constant

itching of a body covered with bites from head to toe (the blood no longer able to overcome the poison); and most distressing of all, the relentless passing of time as the weeks have become of four long months and we have not yet achieved the contact we seek — WHY???

"Because we have been *sent*, to open their eyes, to turn them from darkness to light, and from the power of Satan unto God, that they may receive forgiveness of sins and inheritance among them who are sanctified by faith in Me"—Acts 26:18."

Brother Abrahamson writes that the Juma Indians are very primitive and wild. No peaceful contact has ever been made with them. Every contact has resulted in killings. The savageness of the Indians has caused the Brazilians to shun the Juma area. However, God provided two men who agreed to penetrate the area with him. On their last trip in one of the men fell into a trap constructed

## Pentecost Movement Hit Peak in 1962

The present wave of interest in the Pentecostal Movement, caused under God by the phenomenal growth of the Pentecostal churches in some parts of the world, and the re-appearance of the glossolalia in the Episcopal church particularly, is producing a wide interest in the subject in theological circles. At a deeper level is an almost universal recognition that perhaps the greatest need of the Church is a new experience of the Holy Spirit . . .

*Statistics . . .* It is computed that the movement numbers about 10,000,000 adherents. The largest Pentecostal groups are in North America, Brazil, Chile and Indonesia. Assemblies of God, U.S.A. are the largest with over 500,000 listed members. In Scandinavia there are about 100,000 members. In Brazil there are probably 750,000, or even more. In Chile about 400,000.

(Excerpt from "Pentecost" by Donald Gee)

It was in the late fall of the year on the farm in Manitoba, Canada, after the wheat crop had been harvested, when there was nothing of growth or color to be found. My desire to take something to Mother caused me as a tiny girl to scan the fence lines for flowers, but to no avail. I well remember the disappointment of this, but also the slight touch of joy when still searching I picked a blade of withered grass, and nearer the barnyard, a good sized hen feather. Taking them to Mother, I said, "Mother, this is all the bouquet I could find." She received it as a lovely bouquet with thankfulness. Love will give something for love has something to give.

Love will return in due season. This time in early Spring my daughter, about three years of age, came with a well-rounded bouquet of dandelions, fragrant and beautiful — all

the little hand could hold, stems well squeezed; her words, "Mother, I brought you a bouquet." Very near to tears, I too received the bouquet with thankfulness. There is only one life in which to give and all have something to give.

There is another far greater love—it is Divine and Infinite — which love will never fail. God's desire is to give Himself unreservedly to man. He has something and someone to give, and He gave. This gift was His only Begotten Son.

God had something to give and He gave it: the gift of His only Begotten Son. The Lord Jesus had something to give and He gave it: His own life in sacrifice for our sins. We too, have something to give. Will we give it? An open heart to receive Him as Saviour and Lord and a life of faithful service in gratitude to Him.

# The Baptism of the Spirit

By EVANGELIST WARREN L. LITZMAN

**T**HE BAPTISM IN THE HOLY SPIRIT is a gift. Jesus said, "What father having been asked bread by his son would give him a stone? How much more will your heavenly father give you the gift of the spirit if you ask him for it?" Peter believed that the Baptism in the Holy Spirit was a gift also, for in the second chapter of Acts, Peter says, "Repent and be baptized every one of you in the name of Jesus Christ for the remission of sins and you shall receive the gift of the spirit." The Apostle Paul also calls the Holy Ghost a gift.

No gift comes automatically to the believer. The gift of the Spirit is only yours on the basis of faith.

Many people would have already received the Baptism in the Holy Ghost if they could have conceived that He is a gift.

The Holy Spirit is not the object of one's seeking, begging, or tarrying. He is an object of faith. God gave the Holy Ghost to the believer as a gift. The Holy Spirit does not come into one's life simply because they play or seek for Him or beg or tarry or work for Him. He will only come into one's life as they lay hold of the promise of God.

When somebody comes to you and offers you a gift, you do not begin to beg them. Rather, you extend your hand with faith in their word that when they wanted to give you a gift, they meant what they said. It would be illogical for you to fall on your knees and begin to beg your friends for the gift.

## THE OUTPOURING IS UNIVERSAL

**4** Jesus gave every believer the gift of the Spirit on the day of Pentecost. Every time a believer begs this does not change God's mind concerning His promise. In His word He has already promised you the gift of the Spirit. The seeking only helps to prepare your heart in the case you doubt His word or fight a battle with Satan. It is not that God has not given us the Holy Spirit, it is that, we have not received. I could not make the receiving of the Baptism in the Holy Spirit any clearer than this. He is a gift. He can only be received on the basis of our faith. The seeking that we do only helps to prepare our hearts to receive a work which God has already given. Salvation is a gift. Divine Healing comes as a gift. The Baptism in the Holy Spirit is a gift. We do not beg God to save us; we believe on the Lord Jesus Christ. We do not beg God for healing.

## MOST GENERAL METHOD

When the Apostle Paul reached Ephesus, he discovered the believers there were still worshipping according to John's doctrine and had not, as yet, been baptized in water according to Jesus Christ. The Apostle Paul immediately baptized them in water and asked them if they had received the gift of the Spirit. They said, "We have not so much as heard if there be any gift of the Spirit," and so the Apostle explained the gift to them and immediately laid hands upon them and they received the gift of the Spirit and spoke in tongues and prophesied. It is my conviction that more believers in the New Testament received the Baptism in the Holy Ghost by the laying on of hands than any other method. After the day of Pentecost all believers who received the Holy Ghost received immediately when they heard about the Holy Spirit. There was no

waiting on the part of the believers with the exception of the people in Samaria. Phillip had gone down to Samaria and had a great salvation-healing revival. He is typical of many today who have salvation healing campaigns, but do not preach Pentecost. The brethren at the general council in Jerusalem became very upset because Phillip had not brought the Samaritans into Pentecost. Therefore, Peter and John were commissioned by the brethren to go down to Samaria and bring them into Pentecost. Peter and John at Samaria began to lay hands upon the believers and they received the gift of the Spirit. We believe that they spoke in other tongues, or else Simon the Sorcerer would not have wanted the gift of laying on of hands.

## EVERYONE SPEAKS IN TONGUES

Now, every believer who receives the Holy Ghost will speak in other tongues. It makes no difference who you are or what your background is, or how great your knowledge of God is, all believers will speak in other tongues when they are baptized in the Holy Ghost. Furthermore, every believer who has received the Holy Ghost and has spoken in other tongues, spoke in tongues the first time by faith. Remember the gift of the spirit cannot be earned. He can only be received by faith. Speaking in tongues for the first time is always a step of faith. Every occasion in the New Testament where the believers spoke in other tongues, the responsibility of speaking was upon the believer and not upon the Lord. In the second chapter of Acts, the scripture states, "They began to speak in other tongues." In the tenth chapter of Acts, "They spoke in tongues and magnified the Lord." In the 19th chapter of Acts, "They spoke in tongues and prophesied." The Apostle Paul likewise, assumes the responsibility of speaking in other tongues, for he says, "I thank God I speak in tongues more than ye all." Therefore, regardless of the price that you pay to receive the Baptism, regardless of how long you tarried and sought God, the first time you spoke in tongues, you did it by faith.

## ALL MUST TAKE A STEP OF FAITH

God does not change your nature in the Baptism. He leaves you just like you are and deals with you as you are. Some people are very reserved. They can receive the Baptism as easily and as greatly as anyone else. When I sought for the Holy Spirit I was not very emotional. My makeup at the time was very reserved. All who dealt with me to receive the Baptism told me what a great emotional experience it was, and I pre-conceived in my mind the greatness of this emotional experience.

The very first time I sought the Lord for the Baptism, I realized that I could speak in tongues and

# Church News

## LOELOCK, NEVADA—

There has been a convert here. A lad was saved in our Sunday School closing service. Mothers are teaching their children to tithe. Interest has been running high in our Children's Church and in Christ's Ambassadors services.

Our church is sponsoring Lovelock's Good Friday Service. The Methodist, Baptist, and Episcopal ministers and churches will be cooperating. The Methodist pastor asked us to sponsor the service; he will be bringing the short message.

Pastors Ruby M. Enyart and Erna C. Petznick.

## SUSANVILLE—

A United Evangelistic Campaign was conducted in the Memorial Hall, March 24-29, with the Assembly of God, First Baptist Church, First Southern Baptist Church, Good Shepherd Episcopal Church, Pentecostal Church of God and the Methodist Church participating. Each night was in charge of one of the churches. Pastor W. C. Ross was Chairman for the Assemblies of God night and Superintendent Joseph L. Gerhart was the guest speaker.

## ALDERPOINT DEDICATION—

Dedication services were held for the new church building at Alderpoint on Sunday, March 17. Assistant Superintendent R. A. Wilson brought the dedicatory message. The churches at Ft. Seward and Weott were represented by their pastors and many of their members.

Alderpoint is a sawmill town in the Redwood section. Vance Reynolds has been the pastor for about three years. For some time they worshipped in a rental building. Seeing the need of a building of their own, they began to look for a better location. They discovered a partly finished building on the main street which was purchased and finished. They now have a sanctuary with several Sunday School rooms. There is a nice apartment for the pastor in the rear of the building.

Brother Reynolds and his congregation are to be congratulated on their new facilities and the dedication which has made them possible.

## BRIAN KENDALL WINTERS ARRIVES

Pastor and Mrs. Vernon Winters, Dunsmuir, welcomed Brian Kendall into their family on March 22, 1963. Kendall has a sister and is the grandson of Pastor and Mrs. Al Morrison of Scotts Valley.

## PARADISE—

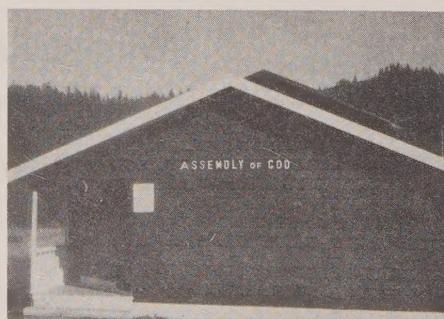

This Assembly recently enjoyed the ministry of Bro. Joseph L. Gerhart. Pastor Glen W. Parks reports good progress and a spirit of love and unity in the Assembly.

## MODESTO—BETHEL CHURCH—

Pastor L. B. Lewis reports an Easter Revival Campaign with Evangelist Ron Prinzing of Eugene Oregon.

Rev. and Mrs. VERNON MAYHALL announced the birth of Gregory Scott, March 25, 1963. Proud parents pastor the Sutter Assembly of God.

Top: REV. R. A. WILSON AND REV. VANCE REYNOLDS. Bottom: ALDERPOINT ASSEMBLY.

## MONTEVIDEO, URUGUAY—

A capacity crowd attended the recent dedication of the Montevideo evangelistic center. The building seats approximately 350 people with room for an additional 200 when panels behind the platform are removed.

## SEOUL, KOREA—

More than 250 persons received the baptism in the Holy Spirit during a recent eight-day meeting at the Seoul Revival Center. Approximately 1,700 people attended evening services conducted by Missionary Dan Marocco, Philippines. Cho Yonggi, co-pastor of the Center, ministered to crowds of 1,000 attending the day services. Daily, 400 attended 4:30 a.m. prayer meetings. Four hundred people remained to pray all of one night. In that one prayer meeting, forty received the baptism in the Holy Spirit.

## EL SALVADOR—

Thirteen new television programs are now being prepared by LARE (Latin American Radio Evangelism). More than 100,000 persons in El Salvador view the weekly telecast, which dramatizes Bible stories and explains the way of salvation. As soon as the new programs are filmed, they will be released to five neighboring Latin American countries.

## JOHANNESBURG, SO. AFRICA—

A comprehensive literature program is being launched among more than 2,000,000 Africans living in the Johannesburg area. One of the first objectives of the program is the production of Sunday school books in various African languages.

## CARACAS, VENEZUELA—

The United Bible Societies report record sales of 1,335,000 Bibles, New Testaments, and Scripture portions for 1962. This is double the sales for the previous year. The increased sale is due partly to the Pentecostal revival experienced in the Caracas area as a result of the Jiminez evangelistic campaigns in 1961.

## MENADO, INDONESIA—

The first annual youth camp of the Minahasa section was conducted recently. Several young people were saved and filled with the Holy Spirit. Others were healed. Interest in Christianity among Indonesian youth is increasing.

## DAKAR, SENEGAL—

The Senegal government has donated property to the Assemblies of God for an evangelistic center. Strategically located, the property is worth more than \$10,000. An architect is now working on building plans. Construction will begin in the near future.

## TAIPEI, TAIWAN—

Broadcasting Corporation China, Formosa's only all-island network—has granted the Assemblies of God permission to use its facilities. BCC is government-owned; its facilities are fifty times more powerful than those of independent stations which formerly carried the Assemblies of God broadcasts. Good standing with the independent stations and contacts with government transmitters in the past gained for the Assemblies of God the favor of the government. No other church organization is permitted to broadcast over BCC.

## NEW WORK IN

### JUAN LACAZA, URUGUAY—

"For over six weeks we conducted an open-air campaign in a city called Juan Lacaza, right on the River Platte across from Argentina," writes Elaine Atwood. "This is a town of about 8,000 inhabitants. We had only a platform and a fence around it on a vacant lot — no seats — but the people came. Some nights there were close to 400 people. The testimonies of salvation and healing were thrilling. A national worker and his wife will soon take over this work. We are right now trying to raise money to buy a lot — have rented a hall for the moment and are using it for day meetings. Trust the Lord will give us a strong church here."

## GREETINGS FROM

### LELA FOLKERS, INDIA

On February 25, Lela Folkers waved goodbye to friends and relatives at the San Francisco airport and started toward Mussoorie, India, where she will be teaching in the Woodstock school. She writes, "My trip out was lovely. We made stops at Honolulu, Wake Island, Tokyo, Bangkok, finally arriving in Delhi. It took ten hours to go by train 100 miles to Dehradun, and from there we went by taxi to Mussoorie. The last two miles to the school we were taken by rickshaw."

"The scenery around here is beautiful and the view just fantastic. The

building I live in is a lovely, picturesque place because it sets on the top of a hill all by itself. It is about 500 feet below the school proper which sits on the hillside

There are over 65 staff members in all, about 450-75 students and over 100 servants. I teach the sixth grade and have 35 students and no heated classroom, but it's warming up. Many of them are Christians, but some are still Hindus."

LELA FOLKERS EMBARKS FOR INDIA

## Mission Swindlers Active—Beware!

Missionary swindlers are mulcting evangelical churches of thousands of dollars a year.

Dr. Clyde W. Taylor says a recent round the world trip disclosed that some mission stations which U.S. churches thought they were supporting "simply do not exist."

Taylor, executive secretary of the Evangelical Foreign Missions Association, issues a warning in the March number of *United Evangelical Action* published by the National Association of Evangelicals.

He urged that evangelical churches check carefully the credentials of all independent mission agencies that do not have direct affiliation with a recognized denomination or interchurch organizations such as EFMA or Interdenominational Foreign Missions Association.

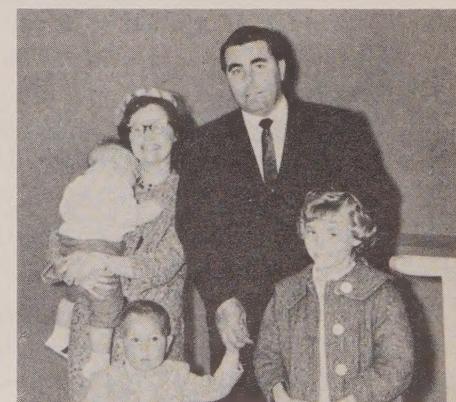

(Christianity Today—March 29, '63)

*Editor's Note:* We would add our

most hearty "Amen" to Dr. Taylor's warning. DON'T TAKE A CHANCE ON YOUR MISSIONARY DOLLARS. Be sure your giving is channeled through your Church, District, or National Assemblies of God offices. EVERY DOLLAR reaches its proper destination and is used as you want it to be used WHEN YOU GIVE IT THROUGH THE ASSEMBLIES OF GOD FOREIGN MISSIONS DEPARTMENT.

## BERNHARD JOHNSON FAMILY EXPERIENCE FIRE ALARM

The Bernhard Johnson family left the San Francisco Airport Saturday, March 9 for their next term of missionary service in Brazil. Over 60 friends were at the airport to bid them goodbye and God's blessing. After speaking on Sunday in Detroit, they flew to Houston, Texas, on Monday to depart by ship on Tuesday, March 12. But a little excitement intervened at 3:00 a.m. Tuesday when they were awakened by loud sirens and found their room on the 10th floor of a large hotel filled with smoke. Nearly 200 hotel guests on the 10th floor had to get to safety hurriedly. Fortunately, the Johnson family got their coats, but no one took time to put on shoes. The family had their picture in the daily Houston paper and Brother Johnson was interviewed on TV as to why they were in the hotel that night, and answered questions about their missionary work in Brazil.

As a non-drinker you deserve and should receive your Medical-Surgical protection at a substantial saving. Statistics prove that those who do not drink are sick and hurt less often than those who do. We believe that non-drinkers should not be made to pay the higher rates charged to cover those who do drink. Gold Star, by excluding all drinkers, can give increased protection and more benefits at substantial savings.

#### **ONLY YOU CAN CANCEL**

That's right, the Company can never cancel your policy or change your benefits. Only YOU can cancel this special Medical-Surgical coverage! In addition, your present low GOLD STAR rate can never be changed, unless there is a rate adjustment, up or down, for all policyholders!

#### **NO LIMIT ON THE NUMBER OF TIMES YOU CAN COLLECT**

Since only you can cancel, you never have to worry about losing your protection when you need it most. You are not penalized for repeated illnesses. Just three months after the end of your confinement for any sickness or accident you may again receive full benefits for that condition AND you receive full benefits immediately for any new sickness or accident. So you see . . . no matter how many times you are sick, you continue to receive the same liberal protection and benefits!

#### **PAYS UP TO \$300.00 FOR SURGICAL FEES**

Your Gold Star Medical-Surgical Policy pays you up to \$300.00 CASH for surgical expenses according to a generous schedule printed right in your policy . . . TAX-FREE! And you receive this money whether the surgery takes place in or out of the hospital. For instance, you would be covered for fractures, dislocations, etc., treated in the doctor's office. Gold Star pays you even if your expenses are less, and pays you in addition to any other medical-surgical or hospitalization coverage you may have. Claim checks are rushed to you AIR MAIL SPECIAL DELIVERY.

#### **PAYS FOR DOCTOR'S VISITS**

Yes, that's right! When you go to the hospital and surgery is not required, your GOLD STAR Medical-Surgical Policy pays you \$4.00 per day for each day your doctor visits you. Not only that, but while you are confined at home after returning from the hospital, your policy pays you \$4.00 per day for each day your doctor visits you (or you visit him at his office), for as many visits as the number of days you spent in the hospital! Gold Star will pay you up to a total of 80 visits for any one accident or illness—that's right—80 visits.

In addition, even though your surgeon was paid, under the Surgical Benefits, while you were in the hospital, Gold Star will still pay you \$4.00 per day for each day your doctor visits you or you visit him at his office for as many visits as the number of days you spent in the hospital, while you are confined at home after returning from the hospital. Again, Gold Star will pay you up to a total of 80 visits for any one accident or illness!

#### **ONLY CONDITIONS NOT COVERED:**

Every kind of sickness and accident is covered except, of course, those caused by: the use of alcoholic beverages or narcotics; pregnancy; mental or nervous disorders; pre-existing conditions; any act of war; and where care is in a Government or Veterans Hospital. Everything else is covered!

# WILLA VAE BOWLES NEWLY APPOINTED DISTRICT MISSIONETTE DIRECTOR

The WMC-Missionette Advisory Committee recently appointed Willa Vae Bowles as the District Missionette Director. She has worked as personal secretary to Mrs. Goldia Anderson, District WMC-M'ette President, since May 1960 and will continue helping in the WMC-M'ette office as well as traveling in behalf of our Missionette Clubs.

Sister Bowles was converted at the age of 10 in a Friday night Children's service and received use of her right eye in answer to prayer the following Sunday night during a Raymond T. Ritchey and Party Evangelistic campaign in Oklahoma City. She is the eldest of seven born to Mr. and Mrs. Ernest Eidson and is very grateful for her Christian rearing.

When Willa Vae was fourteen years of age her parents decided to pioneer a church in the little town where they had resided for six years but did not have a Pentecostal church. This church began in their home and soon enough souls were converted that a building was rented and a pastor secured. Willa Vae was the Sunday School secretary and C.A. president of this pioneer church until she entered Central Bible Institute. Following graduation from CBI with a diploma in Theology she secured employment as an accountant with General Motors Acceptance Corp. in Tulsa, Oklahoma, and was the C.A. president at Bethel Temple until she married Rev. William E. Bowles.

WILLA VAE BOWLES

Brother Bowles was the pastor of a Home Missions church on the Mojave desert in Southern California and plans were being made for them to go as missionaries. In 1957 Brother

A Missionary Convention was held at Rohnerville Assembly of God February 4-7, sponsored by the WMC's of the Redwood Section where Mrs. Joseph Murray is Director. Mrs. Lillian Rahner of Newark spoke of her experiences during her recent missionary tour of South America and introduced the Don McMurrays, the first appointee to Malaya from our District. "Harvest Time" was the Convention theme, and each night the names of missionaries around the world were called in prayer. The average attendance each evening was over 150, and \$54.00 monthly support was pledged.

The WMC's of Central San Joaquin Section honored their pastors as pictured. Mrs. Otto Bell (2nd from right on front row) was the Director and is commended for her good work. Mrs. N. A. Goluvin is the new Director.

Bowles was fatally injured and Sister Bowles pastored the church alone until a building program was completed. The fall of 1958 she moved to Bethany Park and enrolled in Bethany Bible College and San Jose State College.

The spring of 1959 she was appointed the C. A. Counselor at Craig Chapel and had twenty-three teenagers who met in her home twice a week. She enjoyed this ministry very much but resigned to become Craig Chapel's Missionette Sponsor in 1960.

In 1961 she graduated with honors from Bethany Bible College with a B. A. in Christian Education and received her E.T.T.A. Certificate. Then she began working full time at our District office for Goldia Anderson and Rev. Gerhart.

In 1958 Sister Bowles made a trip to the West Indies and presented a picture and a plaque to her husband's memorial, an evangelistic center in La Ramona, Dominican Republic. She has also visited churches in Mexico City and in 1961 made a tour of Europe and the Holy Land. Her travels have deepened her burden for missions and her main desire is to encourage the young girls of our churches to learn of mission efforts and work in behalf of our missionaries.

A Rally is being planned for the girls in your Section and at this time they will have opportunity to meet Willa Vae Bowles.

by the Indians in the middle of the trail. The man was injured by the sharp spears and it was necessary to take him back out to civilization. Brother Abrahamson still feels that much has been accomplished even though the Indians have not been contacted personally. He says, "Soon I will return to make a contact with the Jumas." When asked, "What will happen when you do meet them?" he answered, "I don't know, but I'm thankful that God knows and my faith is in Him. He has given me the following verse, 'Thou shalt not be afraid for the terror by night, nor the arrow that flieth by day,' Psalm 91:5. No matter what the price is, we must finish the task that God has entrusted to us."

of integrity of our society. Alcohol is playing the largest part in this terrific problem.

Juvenile delinquency, in its many aspects, can also be traced to the alcohol consumption of parents and influential people.

Alcoholism, a dread condition, that takes the life of its victim, about 16 years before he ordinarily would die, is so high that the State Dept. of Health and the Governor, calls it our number one killer. Over 700,000 folks, 26 per cent of them women, are now numbered in this frustration and difficulty.

### WHAT CAN BE DONE ABOUT ALCOHOL'S PLACE IN CALIFORNIA?

**One**—Work with the COUNCIL on ALCOHOL PROBLEMS of California. The industry is so very strong, that the only way we can make progress is to work together with other denominations. Assemblies can't do it alone, nor Seventh-day Adventists, nor Methodists, etc. We must work together. Therefore, one thing we can do is to support this organization, financially, and welcoming them in our pulpits.

**Two**—Get acquainted with your State Senator, and your Assemblyman. Here is a spot for evangelism, and the working of our representative form of Government.

**Three**—Watch for my reports, as I send out the up-to-the-minute news from Sacramento. I am the only lobbyist for you. But there are 16 lobbyists working full time for the alcohol beverage industry.

**Four**—Let every Pastor come to Sacramento and visit with his Senator and Assemblyman at least once during the 1963 Session.

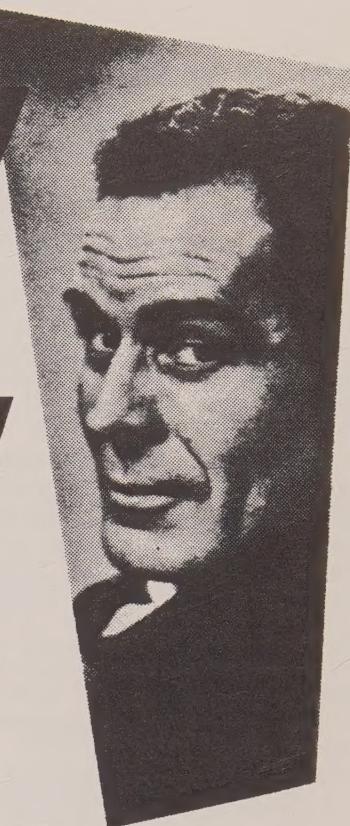

**Five**—Encourage members of our Churches to write, wire, telephone, to his legislator as controversial issues arise during the Session. You will hear from me at least a dozen times during the next 6 months. Remember that the force of the alcohol beverage industry is terrific. 44,000 licensed places sell the stuff. Twelve hundred wineries distill it. Thousands sell it, distribute it, make it, produce the grapes, and hops, and barley. Maybe a million people are dependent upon the success of their industry. What can God do under this pressure? He depends upon His people, and you are HIS PEOPLE!

This is a most unusual program, recommended by nationally-known evangelical leaders. It is established, with a 40-year record of successful operation. Yet it is NEW ... UP-DATED to today's needs ... and completely revised after 6 years of research and planning.

This is an opportunity to build financial security for yourself and family. At the same time you will be actively engaged in a rich, purposeful Christian ministry, reaching homes and all ages.

**Who can qualify?** ... ministers, teachers, church workers, housewives—and every Protestant home in your community is a prospect. No competition, no deliveries to make, nothing to buy!

# A Hike with a Purpose

By Dave Colbert

In this fad crazed world of hooia hoops, pole sitters and of late the fifty mile hikers, there is a group of young people who have put purpose in their hikes and it isn't a fad with them, it's their business.

## A HIKE WITH A PURPOSE

In order to qualify for this hiking group it involves several things. A person must have a willingness to give of his time and effort to go out into the Highways and Hedges inviting the people of our communities to church.

Our hike takes on purpose when the team knows ther are approximately three out of every ten people in any given community who do not attend church anywhere.

You see, this group of hikers make up the District Visitation Team. These hikers are all students at Bethany Bible College in Santa Cruz, California and who hike approximately "one hundred aggregate miles" each Sunday of visitation.

This hike takes on purpose when the results are counted and we find people are interested in church and in God.

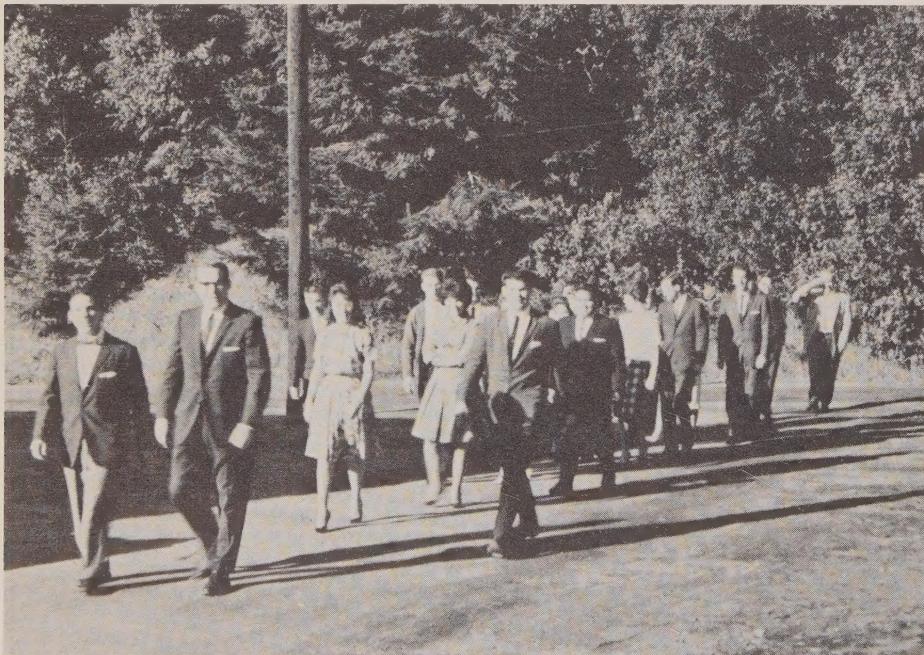

This hike takes on purpose when a pastor for whom the Visitation Team has worked shows enthusiasm about the follow-up that will take place after the Visitation Team has

gone. Follow-up is the secret to a succesful community census.

This hike takes on purpose when through the efforts expended, a soul finds Christ as Saviour at the local church.

These hikers have worn out many a pair of shoes during the hundreds of miles they have hiked during the past four years. The tired feet, blisters, and worn-out feeling that is encountered after spending three hours an afternoon in this hike all takes its toll. But is it worth it? — Ask any of these hikers. Their answer is that on the next Sunday they are all ready to go again. Of course they get doors slammed in their face—but that one house where they find an intrested family that does not go to church—is the reward that makes it all worth while.

Already this school year we have knocked on approximately 7,670 doors. Of these there were 4,687 families at home which we gave opportunity to receive witness of Jesus Christ. We have found 778 families which were good prospects for the Sunday School and salvation. Though we may be doing onlly the sowing rather than the harvesting, by faith we can thank the Lord for the great and eternal work He has accomplished through the efforts of the Visitation Team.

## Capitol Section Sunday School Rally

The Capitol Section Sunday Schools were represented by nearly two hundred workers present for a "Super" Sunday School rally in the Roseville First Assembly of God.

One of the "highlights" of the meeting was the unveiling of the trophy to be awarded to the School with the highest grade based on both the National Sunday School Standard and the "new" Sectional Standard. The Sectional Standard is a new program recently adopted by the Representatives of the District, to encourage greater excellence among the Sunday schools of each section. The trophy, which will be awarded anually is a large trophy with the National Sunday School emblem and the Assemblies of God emblem engraved thereon. The trophy will eventually be awarded to the school winning it at least three times.

Other features were: For pas-superintendents and secretaries: "National Standard" explained, Presbyter Geo. Elrod, substituting for Robert Pirtle who was ill; "New" Sectional Standard explained by Sectional Rep. Carl Oney.

For teacher: Motion Picture — "Teaching the World"; messages by L. W. Suter and Howard May.

Special speaker was Pastor L. H. Bottroff of First Assembly, Vallejo who spoke on the need of consecration and dedication. At the conclusion of the message, a wave of prayer swept over the congregation.

## BUILDING CHRISTIAN AMERICANS PROGRESS

Mrs. Eleanor Smith, Superintendent of Released Time Classes in the San Jose area, has recently given the following report of the Santa Clara County Evangelical Released Time Education Program:

75 public schools are serviced with E.R.T.

70 churches in Santa Clara County participate.

4200 children attend the E.R.T. classes.

150 teachers and workers are in the weekly classes.

Estimated 1963 budget, \$10,000.

## The Baptism of the Spirit

(Continued from page 4)

almost did it, but the devil came to me and said, "If you speak in tongues, it will be you, it will not be God." I certainly wanted the blessing to be of God, and so instead of taking the step of faith and going ahead and speaking those words in other tongues, which I knew I could speak, I let the devil deceive me and for over three years I tarried long and hard to receive the Baptism. All of my tarrying did me no good. All of the instruction and teaching which the believers gave me did me no good during that three years. I had failed to take a step of faith, but no one ever came to me and told me about this step of faith. No one ever told me that the Baptism was a gift. Everyone continued saying, "Just tarry until ..." and, of course, I tarried many many times after everybody else had left the church. I was hungry, but I could not conceive or receive the gift of the Spirit. Consequently, after three years in bitter desperation, I went to the altar and I told the Lord that night I was going to speak in tongues even if it was myself doing it. When I knelt at the altar, the Spirit of the Lord came upon me and I spoke those words which I knew I could have spoken the first time I sought God, but Satan had cheated me out of it. The very moment I opened my mouth and began to speak in other tongues, the Spirit instantly gave me the utterance and for the next hour or so, I was lost in the Spirit, speaking in other tongues. I could have had this victory three years before, but no one had taught me about the necessity of faith. I know that there are many who teach that it is important to get a great experience when you receive the Baptism in the Holy Ghost. I am not nearly so interested in how great an experience you have when you receive the Holy Spirit as I am interested in what you are going to do with the Holy Ghost after you receive Him.

### PENTECOST IS A LIFE

Once again, I must stress that Pentecost is not an experience, but it is a life . . . a life that must be lived 24 hours out of every day in order for the life to be effective. If all of the emphasis is placed on the initial infilling in the Holy Spirit, then the life never bears fruit. However, if a believer accepts the Holy Ghost scripturally by faith and continues seeking God for added power and gifts of the Spirit and fruit of the Spirit to be borne in his life, then he will begin to truly live

the Spirit-filled life. It is possible to put such a great stress on the Baptism in the Holy Spirit that the believer never continues to seek God for spiritual gifts. Spiritual gifts are of necessity, the next step in the Spirit-filled life. Someone says, "If you did not have great feeling when you received the Holy Spirit, how do you know that it is real?" I know that the Holy Spirit's Baptism is real because God's word says so. Someone else says "How do you know that you have the real thing?" I know that the Holy Ghost is really within me because I speak with other tongues. A believer could not speak even one word in other tongues unless the Holy Spirit was within him. The scripture does not say how much the believer must speak, the evidence is speaking in tongues. Of course I do all within my power to get people to have a liberty

in the Spirit and a liberty in speaking in other tongues. The evidence, however, is not how much we speak in tongues, but the fact that we *do* speak in other tongues. Whenever you take your step of faith and begin to speak in other tongues as the Spirit gives you utterance, you must stand on the promise of Jesus that "No father, having been asked bread by his son would give him a stone. How much more will the Heavenly Father give you the gift of the Spirit if you ask Him for it." The believer must believe that God will do just what He said. He will not let them receive some strange or sensual blessing, but He will give them, as they take the step of faith, exactly what they ask for.

Warren L. Litzman is to be Evangelist for Bethany Park Campmeeting in Santa Cruz, June 28-July 7, 1963.

## May 22-26 Set for Golden Anniversary Celebration at S.F. Glad Tidings Temple

Reverend and Mrs. Robert Craig pioneered the work, formerly known as Glad Tidings Tabernacle, in 1913. From humble beginnings, there evolved from within the Church a Bible Institute of world renown known as Glad Tidings Bible Institute. The school moved from this location on 1441 Ellis Street in San Francisco to Scott's Valley near Santa Cruz in 1950.

During and after World War II, the area quickly deteriorated into a slum section, but the membership felt that the city's promise of re-development would be worth waiting for, as the Church location is in the heart of San Francisco. It is almost unbelievable now to see the new apartments arising within a stone's throw of the Temple

and the old Fillmore District will soon be one of the most modern shopping centers in San Francisco.

Though attendance suffered when the school was moved, as it provided most of the two hundred-voice choir, and because of the ethnic groups that began to move in, the major part of the community in the last three years has changed, and missionary giving has doubled.

The Temple is planning a modernization program that will blend this historic church into a contemporary scene. All of the friends and former members are invited to attend this historic occasion to be celebrated on May 22-26, 1963.
